

"Come and join us at American Beauty Institute. Don't be shy. Our programs can put you on your way to an exciting new career. We welcome ALL students and we are looking forward to meeting you at our school in San Diego."

Start Your Career as a Massage Therapist

A Massage Therapist treats clients by using touch to manipulate the soft-tissue muscles of the body. With their touch, therapists relieve pain, help rehabilitate injuries, improve circulation, relieve stress, increase relaxation, and aid in the general wellness of clients.

Advance Your Career

Increase Your Employability

This 600 hour program is designed to provide students with complete and comprehensive training in all areas of massage. Specific emphasis is placed on preparing students with knowledge to open their own massage clinic or to become employed in the

massage field working in a doctor's office, a chiropractor's office, an acupuncturist's office or a health center.

Why choose us
